

# Eye Do you?

The **Association of Technical Personnel in Ophthalmology (ATPO)** is the premier network and resource for allied ophthalmic professionals (AOP). ATPO members are clinical and administrative professionals in every practice setting across the United States. ATPO is dedicated to developing excellence through Advocacy, Trust, Personal Commitment, and Opportunity. **Why Eye ATPO?**

- **Eye ATPO because *Eye Am* an allied ophthalmic professional!**
- **Eye ATPO because, with ATPO, *Eye Can* learn and grow!**
- **Eye ATPO because, with ATPO, *Eye Do* make a difference, and so can you!**
- **Eye ATPO because, with ATPO, *Eye Will* achieve!**

## ***Eye Am* an Allied Ophthalmic Professional**

ATPO offers opportunities for networking, peer mentorship, and participation in special interest groups, which foster a culture of professionalism among ATPO members, and a sense of pride as allied ophthalmic professionals. ***Eye Am*** encompasses the characteristics, values, and beliefs that ATPO members exemplify and ***Eye Am*** is demonstrated through the work we do to serve patients, colleagues, and our communities every day. ATPO aims to help ophthalmic professionals discover their strengths and opportunities for growth and achievement.

## ***Eye Can* Learn and Grow**

ATPO connects members to the resources and relationships that we can use to build our knowledge and expertise. ***Eye Can*** is actualized through ATPO's practical education and training programs that provide members with access to information and resources that are timely, practical, and actionable. ***The Annual ATPO Eye CAN (Career Advancement & Networking) Conference*** offers ATPO members with unrivaled opportunities for learning and professional growth.

**Eye Am + Eye Can + Eye Do + Eye Will = Eye ATPO**

## Eye Do Make a Difference

ATPO provides members with opportunities to serve and shine. ATPO members are encouraged to say **Eye Do** to committee and board service, educational course development, authoring articles for ATPO publications, service as mentors, and through advocacy and community outreach efforts to raise awareness about AOP professions. **Eye Do** means paying it forward, sharing our knowledge, and lifting up professionals who are new or less experienced.

## Eye Will Achieve

ATPO's **Eye Will** culture is changing the paradigm of what it means to be an allied ophthalmic professional. ATPO encourages members to continually improve and expand our skills through a combination of education, training, and peer-career activities. **Eye Will** means striving for the next level through certification, by taking on new roles, by setting and achieving professional goals over an entire career, and most of all through a commitment to lifelong learning. ATPO is the professional home for all allied ophthalmic professionals—novices, experts, and everyone in between. **Eye ATPO, do you?**
